Looking for an audiobook for a long car ride, music album for a spontaneous dance party, or a movie your family can watch *right away*?

Try **hoopla** for kids!

Movies & TV, music, ebooks, audiobooks, and comics for the whole family

hoopla for kids features these family favorites:

Disney • Pete the Cat • My Little Pony • Archie
Rick Riordan • Star Wars • Big Nate • Peanuts
Magic School Bus • Amelia Bedelia • Paddington
Lumberjanes • VeggieTales • Kidz Bop • Caillou
Raffi • Max & Ruby • Boxcar Children • Minions
Mo Willems • Madeline • Fancy Nancy • Arthur

See inside for instructions & more info!

hoopla digital now offers **KIDS MODE**, a setting designed to make it easier for parents and kids to find children's content. All content shown while in Kids Mode has been deemed suitable for children up to 12 years of age.

Entering **Kids Mode** on your desktop or laptop computer:

1. Visit hoopladigital.com to create a **hoopla** account using your email address and Lincolnwood library card number (or log in, if you already have an account).
2. Click on your email address in the top right-hand corner to access your profile.

3. Check the “on” box at the top of the page:

Update your hoopla profile

KIDS MODE ⓘ

4. At the bottom of the page, click 

Entering **Kids Mode** on your mobile device:

1. Enter the settings area of your **hoopla** app. (For instructions on how to download and set up the app, view our user guide.) On iOS, the settings icon is a gear; on Android, three dots in a column.
2. Flip the toggle:

That's it!

The Android app looks a bit different, but the instructions are the same.
